Dear Mr. Weisberg,

Nov. 17, 1983

Thank you for responding so quickly to my letter. I know you must be especially busy considering the fact that the twentieth anniversary of the J.F.K. assassination is approaching. I have been interviewed by a couple local television stations and I have found it very difficult to communicate some of the essential evidence of cover-up and deception in the space of a 10-20 minute interview. I am surprised at how little these T.V. people know about the Warren Commission case itself, not to mention any of the criticism of it.

By now (or very soon) you should have received an order from the Wofford College Bookstore for 20 copies of Post Mortem and Whitewash. If you decide not to reprint Whitewash or reproduce it by other means, I will contact you sometime in December about borrowing a copy (sending the $25 deposit) and xeroxing it myself. I have also decided to use Whitewash in a criminology course next semester, so if you decide to reprint the bookstore here will be ordering another 20 copies or so. Again, thank you so much for everything.

Sincerely,
Gerald Gianoulis
